

Session Program

29-30 May 2024

ICEC - CERN Project STELLA Kick-off Meeting “Re-engineering the Next Generation of Medical Linear Accelerators for Use in Challenging Environments”

Session 9

CERN, 40/S2-B01 - Salle Bohr

Thursday 30 May

15:00

Session 9: Closing Session

Session | **Location:** CERN, 40/S2-B01 - Salle Bohr | **Convener:** Manjit Dosanjh

15:00–15:27 Session Summaries and Next Steps for Each Pillar

Speakers

Manjit Dosanjh, Rajesh Jena, Steinar Stapnes

15:30–15:37 Future Workshops

Speakers

Donna O'Brien, Steinar Stapnes

15:40–16:00 Beyond this Current STELLA Project

Speakers

Benjamin Frisch, Donna O'Brien

16:00
