

Jet Modification and Hard-Soft Correlations (SoftJet 2024)

Saturday 28 September 2024

Session 3: Session 3 - Koshiba-hall (14:00 - 15:30)

-Conveners: Xin-Nian Wang

time	[id] title	presenter
14:00	[37] Using the Hybrid Model to Learn How to Visualize, or See Through, Jet Wakes	RAJAGOPAL, Krishna
14:30	[5] How the Structure of Hard Jets Shapes their Soft Wakes	KUDINOOR, Arjun Srinivasan
14:50	[21] Momentum broadening in strongly coupled N=4 Yang-Mills theory revisited	SCHEIHING HITSCHFELD, Bruno Sebastian
15:10	[14] Insight into the electrical conductivity of quark gluon plasma through photon production	BENOIT, Nicholas
