## Location

- Large variety of possible room selections (10 – 400 ppl)
- Provided infrastructure

# Accommodation

- CERN hotel provides 450 rooms on three separate buildings + Saint-Genis hostel (151 rooms; bus to/from both CERN sites)
- Prices vary between 26 EUR/27 CHF to 64 CHF including shared rooms for students
- Around CERN several other hotels are available with prices starting from 60 CHF

# Meals

- Two large restaurants at CERN main side + several cafeterias (R1 is open 7-22; R2: 7-17)
- A selection of five different daily dishes (fish, meat, pasta, vegan meal and pizzas)
  - Price range: 9-20 CHF

# News on CPOD2025+

- From last IAC meeting: the next CPOD to be at CERN by late 2025/early 2026
- Decision on dates was postponed to this meeting
- We propose the following date: 13-17 April 2026  
A little bit earlier dates are possible but fall 2025 is taken by the last Pb run at CERN before LS3; summer by proton run, Summer Student program and Hadronic Festival
- Main venue: pre-booked Council Room (there is still no schedule for 2026) and booked Kjell Johsen Auditorium as a backup

09:00 - 13:00 Building 100 Equipment Show only...

Council Chamber – in the main part of CERN; close to R1 and hostels

Kjell Johnsen Auditorium – 10 min walk from CERN hostel; close to R2; shuttle service from the main gate of CERN

Thank you
