Helen Clare

Jisc

Biography

Helen has over 20 years' experience working in training and staff development in the education sector. She is Senior e-Infrastructure Strategy Manager (Skills) at Jisc and currently works on several European projects and initiatives including Open and Universal Science (OPUS) and GEANT's GN-5.1 projects.

She was co-chair of the EOSC Upskilling Countries to engage in EOSC Taskforce 2021-2023 and currently co-leads EOSC Opportunity Area Expert Group on Skills, Training, Reward, Recognition and Upscaling. She also co-chairs the OpenAIRE Community of Practice of Training Co-ordinators.

In the UK she is Jisc's lead on the Digital Research Community, is a founding member of the Open Research Competencies Coalition and is the Chair of the UK Reproducibility Network's Stakeholder Engagement Group.
