

# Stefania Amodeo

OpenAIRE

## Biography

Stefania Amodeo is an engagement and training officer at OpenAIRE, where she designs activities to support the research community by addressing their needs with innovative solutions and enhancements to OpenAIRE services. She leads communication, engagement, and exploitation efforts for the SciLake project, crafting strategies to maximize its impact.

Stefania is an experienced academic researcher with a Ph.D. in Astronomy and Astrophysics from the Paris Observatory. She has served as a postdoctoral researcher at both Cornell University and the Observatory of Strasbourg, focusing on astronomical data science and open science.
