

Martine Pronk

LIBER Europe

Biography

Martine Pronk is Executive Director at LIBER Europe, the Association of European Research Libraries, and responsible for the coordination and implementation of LIBER's strategic actions. Besides her work at LIBER, Martine is also a member of the Steering Committee of Open Science NL (Dutch Research Council), where she represents the voice of research and higher education libraries.

Previously, Martine held a position as head of Academic Services and member of the senior management team at Utrecht University Library in The Netherlands. She held strategic responsibility for research and education support services, including in the field of Open Science. She had shared responsibility for setting up Research Data Support Services in the University, was co-lead of the Open Access track of the Utrecht Open Science Programme and represented the University in the EOSC Association. Martine has a degree in Social and Cultural Anthropology and an Executive Master in Public and Non-Profit Management, and almost 20 years of leadership experience.
