

## Mari Kleemola

Development Manager, Tampere University, Finnish Social Science Data Archive and CESSDA

### Biography

Mari is Development Manager at the Finnish Social Science Data Archive (FSD), Tampere University. FSD is national Service Provider for the Consortium of European Social Science Data Archives CESSDA ERIC.

She has 25+ years of experience in digital data preservation and open science, and her expertise areas include metadata, standards, digital preservation, and certification of repositories.

She has participated in several EU-funded projects contributing to the European Open Science Cloud on topics related to metadata, interoperability, FAIR, long-term preservation, repository certification and trust support.

Currently she chairs the CESSDA Trust and Landscape Working Group, is a member of the EOSC TF on FAIR Metrics and Digital Objects, and Co-Chair of the EDDI 2024 Conference Program Committee. She served on the CoreTrustSeal Board 2017-2024.
