

Pantelis Tziveloglou

European Commission

Biography

Pantelis Tziveloglou is the Team Leader for the European Open Science Cloud at the Open Science and Research Infrastructures Unit of the European Commission's Directorate-General for Research and Innovation. From 2015 until 2022 he held a post at the International Cooperation Directorate of the same Directorate-General, where he worked in the EU's international research strategy and as a desk officer for scientific cooperation with Russia and Central Asia (2018-2019) and China (2019).

Before joining the European Commission, he worked as a researcher in high-energy physics at Vrije Universiteit Brussel (2013-2015), École Polytechnique (2010-2013) and CERN (2007-2010). He holds a PhD in physics from Cornell University, USA.
