

## Nick Juty

University of Manchester

### Biography

Nick Juty is a Project Portfolio Manager in the eScience Lab, based in the Department of Computer Science at The University of Manchester. He is involved in numerous EU-level projects relating to aspects of FAIR and interoperability, particularly with respect to digital objects, metadata, and to develop 'FAIR' guidance, evaluation methods and frameworks.

Nick previously worked at EMBL-EBI, leading on identifiers.org, and holds a PhD in Biochemistry from the University of Southampton, UK.
