

# Constanze Curdt

GEOMAR Helmholtz Centre for Ocean Research Kiel

## Biography

Dr. Constanze Curdt is Head of Office of the Helmholtz Metadata Collaboration (HMC), located at the GEOMAR Helmholtz Centre for Ocean Research Kiel. Constanze is responsible for the overall coordination and management of HMC, a long-term initiative of the Helmholtz Association to make Helmholtz data FAIR.

Before joining GEOMAR, Constanze worked as data manager at the University of Cologne for several interdisciplinary collaborative research projects in the geosciences. She was deputy speaker of the Cologne Competence Center for Research Data Management and part of the RDM expert team at NRW federal state level. Constanze holds a degree in Geoinformatics and a PhD in Geography.
