

Ute Gunsenheimer

EOSC Association

Biography

Ute Gunsenheimer began on 1 June 2021 working within the EOSCsecretariat.eu project for the initial months while starting up the Association, where she formally took on the role of Secretary General on 1 November 2021.

Before joining EOSC she was Head of External Relations & EU Projects at the European Spallation Source (ESS) in Lund, Sweden, where she and her team managed the stakeholder relations as well as the national and international grant participations of the organisation. Prior to ESS, Ute was the managing director of the International Communications Unit at Media Consulta International Holding AG, a Berlin-based communications agency. Ute holds a Master's degree in History and Politics.
