

Day	Monday	Tuesday					Wednesday						Thursday						Friday	Day		
Time	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4	Board Room	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4	Board Room	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4	Board Room	Plenary	Time		
08:30-09:00	Plenary session	Physics, Experiments & Detectors	FCC-ee Accelerator	Technical Infrastructures	Environment		Economics Impact of Big Science Workshop	Physics, Experiments & Detectors	FCC-ee Injector	Accelerator technical design	SRF			Machine Detector Interface		Technical Infrastructures	Accelerator technical design		Summaries	08:30-09:00		
09:00-09:30																				09:00-09:30		
09:30-10:00																				09:30-10:00		
10:00-10:30	Coffee break	Coffee Break					Coffee Break						Coffee break						Coffee break	10:00-10:30		
10:30-11:00	Plenary session	Physics, Experiments & Detectors	FCC-ee Accelerator	Technical Infrastructures	Environment		Economics Impact of Big Science Workshop	Physics, Experiments & Detectors	FCC-ee Injector	Accelerator technical design	SRF			Machine Detector Interface	FCC-hh Accelerator	Technical Infrastructures	Accelerator technical design		Summaries	10:30-11:00		
11:00-11:30																				11:00-11:30		
11:30-12:00																				11:30-12:00		
12:00-12:30	Lunch break	Lunch break					Governance meeting	Lunch break						Lunch break						Closing remarks	12:00-12:30	
12:30-13:00																					12:30-13:00	
13:00-13:30																					13:00-13:30	
13:30-14:00	Plenary session	Physics, Experiments & Detectors	FCC-ee Accelerator	Civil Engineering	Environment		Economics Impact of Big Science Workshop	Physics, Experiments & Detectors	FCC-ee Injector	Accelerator technical design	SRF			EPOL	FCC-hh magnets	Technical Infrastructures	Accelerator technical design		Governance meeting	13:30-14:00		
14:00-14:30																				14:00-14:30		
14:30-15:00																				14:30-15:00		
15:00-15:30	Coffee break	Coffee Break					Coffee Break						Coffee break							15:00-15:30		
15:30-16:00	Coffee break	Physics, Experiments & Detectors	FCC-ee Accelerator	Civil Engineering			Special session: large-scale tunnelling projects in Austria							EPOL	FCC-hh magnets	Technical Infrastructures				15:30-16:00		
16:00-16:30	16:00-16:30																					
16:30-17:00	16:30-17:00																					
17:00-17:30	Plenary session																				17:00-17:30	
17:30-18:00																					17:30-18:00	
18:00-18:30																					18:00-18:30	
18:30-19:00	Welcome reception	Early Career Reserchers	Governance meeting	Public event					Social event: Concert Musikverein Vienna													18:30-19:00
19:00-19:30																						19:00-19:30
19:30-20:00																						19:30-20:00
20:00-20:30	Welcome reception	Public event					Social event: Concert Musikverein Vienna						Conference dinner							20:00-20:30		
20:30-21:00																				20:30-21:00		
21:00-22:00																				21:00-21:30		
																				21:30 -22:30
