**Conclusions**

The Asian Open Service is a new milestone contribution to WISDOM-25th, 10-12 November 2024, Bangkok and the entire service.

Three papers and geographical distribution maps of ATCF samples for Asian sites. An agreement to have in place a situation such as the ATCF to organize and support activities in Asia in the next 10 years.

ATCF is a network of more than 20 sites. That will be a 20% increase and there is also a long list of potential sites for ATCF in the future.

Next WISDOM events:

- Economic sustainability workshop: 11-12 December 2024 @ CEPAS (TRC)
- WISDOM4 workshop: 14-15 May 2025 @ China (Peking) (TRC)
