

CERN70 and Pakistan

Seminars and Engineering Exhibition on CERN70 in Pakistan
24-25 June 2024

Organized by PAEC

CERN, together with its Member and Associate Member States, is celebrating its 70th anniversary throughout the year 2024 in the form of science events (science fairs, public lectures, workshops, interactive exhibits, etc) to engage with broader community. CERN70 team is also coordinating events in Member and Associate Member states. It provides an occasion to reflect upon the remarkable scientific achievements accomplished at CERN over the past seven decades along with contributions from Member and Associate Member States. Pakistan being an Associate Member of CERN is also celebrating some CERN70 events in Pakistan.

CERN70 Activity I: Seminars on 24th June 2024 at NCP

- CERN: 7 Decades of Global Scientific Collaboration (Ms. Charlotte L. Warakulle, Director IR CERN)
- CERN: 7 Decades of Particle Physics and Beyond (Dr. Luciano Musa, CERN70 Project Leader)
- Pakistan and CERN: 3 Decades of PAK-CERN Collaboration (Dr. Masood Iqbal, Member Science PAEC)

CERN70 Activity II: Exhibition on 25th June 2024 at HMC-3

An exhibition will be organized to highlight contributions from Pakistan in engineering projects at CERN.
