Particle physics workshop

Friday, 12 July 2024 10:30 (1 hour)

Introduction to Particle Physics: Mini-Masterclass

10:30 Greetings, Introductions, and Remarks

10:35 Data Analysis Prep

10:45 Short low- p dimuon measurement

11:15 Discussion of Results

Presenter: CECIRE, Kenneth William (University of Notre Dame (US))

Session Classification: Small detector labs
