

Session Program

15-17 Oct 2024

4th CERN Baltic Conference (CBC 2024)

Collider Physics

Tallinn University of Technology, Tudengimaja
Ehitajate tee 5

Wednesday 16 October

14:00

Collider Physics

Session | Location: Tallinn University of Technology, Tudengimaja, Ehitajate tee 5

14:00–14:20 Quantum information at colliders

Speaker
Luca Marzola

14:20–14:40 ZH at FCC

Speaker
Carlo Marzo

14:40–15:00 331 models

Speaker
Niko Koivunen

15:00–15:20
Dependence of vacuum arc initiation dynamics on the application of a static magnetic field

Speaker
Roni Koitermaa

15:20–15:40
Study of Non-Resonant HH Production in WWZZ Decay Mode at CMS Experiment

Speaker
Antra Gaile

15:40
