Plenary: missing ET signatures

Session | Location: CERN, 222/R-001

09:00-09:10 **Introduction and goals of WG2**

Speaker

Sabine Kraml

09:10-09:55 **ATLAS Overview of MET Searches**

Speaker

Renaud Bruneliere

09:55-10:40 **CMS Overview of MET Searches**

Speaker

Dr Sanjay Padhi

10:40-11:00 **break**

11:00-11:30 **Overview of SUSY global fits**

Speaker

John Ellis

11:30-12:00 **Review of non-SUSY scenarios with MET signatures**

Speaker

Ben Matthew Gripaios

12:00-12:30 **Fine tuning and the scale of new physics**

Speaker

Riccardo Barbieri
