# HL-LHC COLLABORATION MEETING GENOA, ITALY, 7-10 October 2024

Jointly organised by **INFN** and **CERN**, the **14<sup>th</sup> HL-LHC Collaboration Meeting** will take place in person in **Genoa**, Italy from **7<sup>th</sup> to 10<sup>th</sup> October 2024**. This edition will provide the occasion to showcase the successful production and validation of the first series D2 magnets, produced by ASG in Genoa as an in-kind contribution

by INFN (Italy), as well as the completion of production of the MgB<sub>2</sub> wires for the superconducting link by ASG.

Based on the traditional programme with plenary and work package parallel sessions, this meeting will serve as a technical update forum for the 8<sup>th</sup> Cost and Schedule Review, scheduled for

11<sup>th</sup> to 14<sup>th</sup> November 2024. The main objectives will be to update all HiLumi collaborators on the advancement of the series production of components for the project, to showcase the status of the IT String test stand installation at CERN, and to update all collaborators on the latest schedule changes.
