

CERN
Venture Connect

Introduction of the CERN Venture Connect Programme

CERN's Entrepreneurship Programme

December 5th, 3pm
61/1-007 - Room B

CERN Tech

Startups

Deep Tech Partners

Launched one year ago, the CERN Venture Connect Programme supports deep-tech startups in CERN's Member and Associate Member States. It offers fast-access to CERN technologies, and connects founders to partner investors, accelerators, and expert support for growth opportunities.

Linn KRETZSCHMAR
Head of CERN Venture Connect
