

## **Session Program**

**19-21 Sept 2024**

# **LHeC/FCC-eh beam dynamics and machine-detector interface workshop**

## ***Discussion session***

AGH University of Kraków, D-10 D-czarna (3rd floor)  
Kraków, Poland

## Thursday 19 September

14:30

**Discussion session: Part I: input to the European Strategy Update regarding the LHeC detector; Part II: concurrent running at medium luminosity vs. stand-alone running at ultimate luminosity - impact on the LHeC detectors and physics**

**Session** | **Location:** AGH University of Kraków, D-10 D-czarna (3rd floor), Kraków, Poland | **Conveners:** Paul Richard Newman, Krzysztof Piotrkowski, Yuji Yamazaki, Peter Kostka, Bernhard Holzer

14:30-14:50

**Introduction to discussion session****Speaker**

Paul Richard Newman

14:50-15:50

**Discussion of. the LHeC performance limits****Speaker**

Bernhard Holzer

16:30
