

The physics of strong electromagnetic fields in heavy ion collisions

Monday 13 January 2025 13:50 (25 minutes)

The physics of strong electromagnetic fields in heavy ion collisions

Author: HATTORI, Koichi (Zhejiang University)

Presenter: HATTORI, Koichi (Zhejiang University)

Session Classification: Plenary

Track Classification: 2. Initial State - pre-equilibrium dynamics, baryon stopping, intense electromagnetic field
