

Experimental overview of recent jet measurements in relativistic heavy ion collisions

Tuesday 14 January 2025 16:35 (25 minutes)

Experimental overview of recent jet measurements in relativistic heavy ion collisions

Author: SAHOO, NIHAR RANJAN (Texas A&M University)

Presenter: SAHOO, NIHAR RANJAN (Texas A&M University)

Session Classification: Plenary

Track Classification: 3. Hard probes - jets and electromagnetic probes, heavy flavor, quarkonia
