

Session Program

19 September 2024

TE-HFM Day

Model and system integration

CERN, 30/7-018 - Kjell Johnsen Auditorium

Thursday 19 September

14:20

Model and system integration

Session | **Location:** CERN, 30/7-018 - Kjell Johnsen Auditorium

14:20–14:50

Insulation materials for HFM magnet coils and conductors

Speaker

Roland Piccin

14:50–15:20

Quench detection, protection and diagnostic methods for Nb₃Sn and HTS high-field magnets

Speaker

Arjan Verweij

15:20
