News on Workshop at ISU

Most speakers have been confirmed
Still waiting to hear back from:
        Eduardo (CMS)
        Kaushik (ATLAS)
        Dave Ellis (OSG on Windows: IT perspective)
        Tevfik Kosar (PetaShare)   [Dick ?]
        Tim Thomas (NM State Grid)

Our room block at the Memorial Union expired yesterday but rooms are still available
   $68/night
   can walk to physics
   Should still mention "dosar" when you reserve
   People who have not booked (or registered) but who I expect to attend the meeting:
        Sudhamsh Reddy (UT Arlington)
        Shaowen Wang (UIowa)

I still need to add local maps to the web page - will do soon

Agenda essentially final - see linked ascii file (need to put into indico system)
Let me know asap of any errors/corrections, or additions!

Need to make vrvs booking   [Dick ?]
