

Welcome to

COSMOLOGICAL CORRELATORS

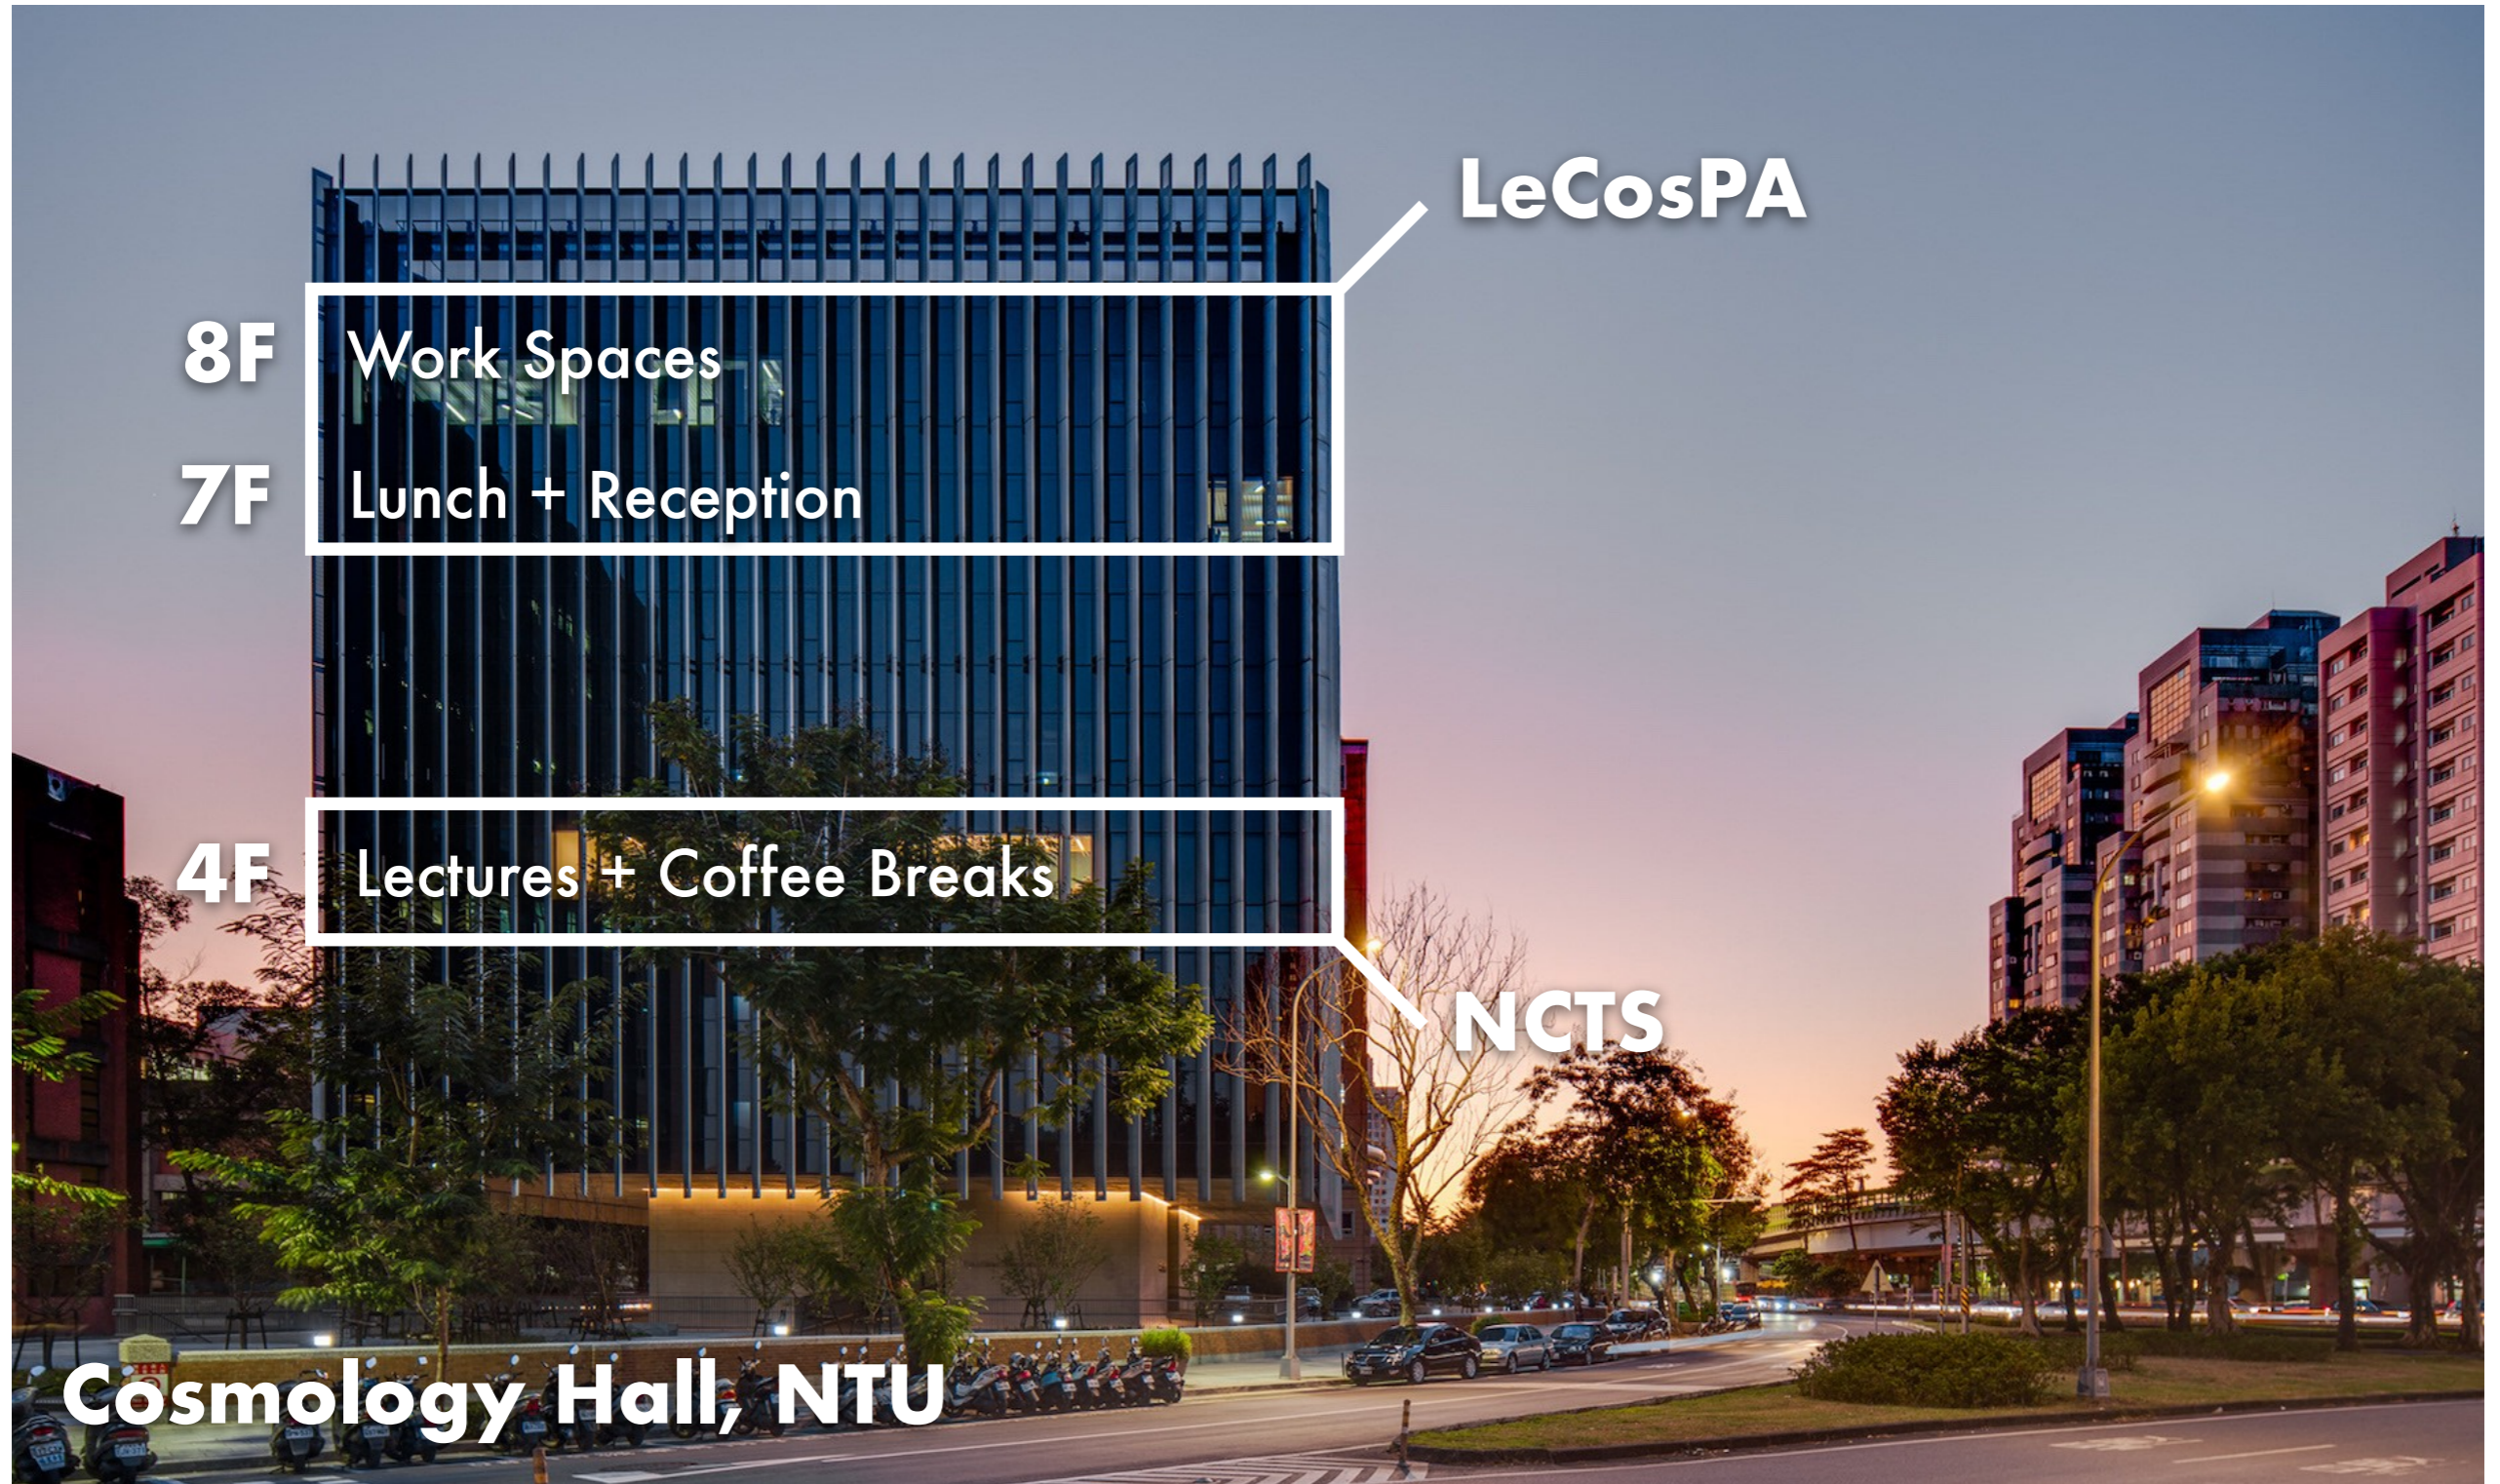

**Daniel Baumann
(for the organizers)**

A futuristic, glowing watch with intricate mechanical gears and a complex network of blue and red lines, symbolizing cosmological correlators. The watch is the central focus, with its face and hands glowing with a bright blue light. The background is a dark, starry space with a network of blue lines connecting various points, suggesting a cosmological or data network. The overall aesthetic is high-tech and scientific.

History

Where Are We?

Schedule

Time	Monday	Tuesday	Wednesday	Thursday	Friday
09:00 - 09:30	Baumann				
09:30 - 10:30	Werth	Jain	Anninos	Yamaguchi	Carrillo González
