

Session Program

16-20 Sept 2024

**International Lecture Week on Gravitational
Waves - Bridging Engineering and Physics**

Lecture "Gravitational Waves"

Wednesday 18 September

09:00

10:30

14:00

15:30

Lecture "Gravitational Waves": - Pulsar Timing Arrays -

Session | **Location:** Dormio Resort Eifeler Tor Heimbach, Germany | **Convener:** Dr Huanchen Hu

Lecture "Gravitational Waves": - Cosmology and the stochastic background -

Session | **Location:** Dormio Resort Eifeler Tor Heimbach, Germany | **Convener:** Prof. Julien Lesgourgues
