## Open Data update from CMS

*Thursday 3 October 2024 14:40 (20 minutes)*

CMS will share our work in 2024 to release Run 2 legacy data and support preservation and open science usage via new documentation and workshops. We will also share the release of our statistical analysis package and a new platform for releasing likelihoods from CMS papers.

### Summary

**Authors:** HOGAN, Julie (Brown University, Bethel University (US)); MCCAULEY, Thomas (University of Notre Dame (US))

**Presenter:** HOGAN, Julie (Brown University, Bethel University (US))

**Session Classification:** Experiments and sites (cont.)
