Updates on WG4

- Expressions of Interest

- we received a new expression of interest from **Delhi University** (Prof. Kirti Ranjan) for **LGAD, new materials** (SiC) and **radiation-damage** simulations (TCAD Silvaco)
- a presentation scheduled in the today agenda
- the number of **participant Institutes** rises to **31** (see the updated list)

- Liaisons Persons (LP)

- nominate the same **LP appointed for WG4 by the other groups?**

- E-group policies (discussed at the last SG meeting)

- all the group **members** are **allowed to send announcements**, as long as the communication is **approved by the conveners**
- for more conversational topics, a dedicated **Mattermost channel** is up and running!

- Next WG4 General Meeting

- Monday 5 Aug 2024, 3pm (CERN time)
