

Session Program

17-20 Sept 2025

The 11th DIRAC Users' Workshop

Hackathon and Q&A

IHEP, Multidisciplinary Building 124-125
Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

Wednesday 17 September

10:00

Hackathon and Q&A

Session |**Location:** IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

10:00-10:05

Welcome and Introduction

Speaker

Prof. liangjian Weng

10:05-10:10

Directions

Speaker

Xiaomei Zhang

10:10-10:20

Workplan

Speaker

Federico Stagni

12:00

13:00

14:30

Hackathon and Q&A

Session |**Location:** IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

Thursday 18 September

09:00

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

11:00

11:10

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

12:00

13:00

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

13:30

Friday 19 September

09:00

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

12:00

13:00

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China

14:30

Saturday 20 September

09:00

12:00

Hackathon and Q&A

Session |

Location: IHEP, Multidisciplinary Building 124-125, Institute of High Energy Physics, CAS 19B Yuquan Road, Shijingshan District, Beijing, China
