

Session Program

11-15 Nov 2024

Light ion collisions at the LHC

Jets in small systems

CERN, 4/3-006 - TH Conference Room

Thursday 14 November

14:00

Jets in small systems

Session | **Location:** CERN, 4/3-006 - TH Conference Room

14:00–14:25 **Jet modification in small systems**

Speaker

Cristian Baldenegro

14:25–14:50 **Thoughts on physics opportunities with small ion collisions in ATLAS**

Speaker

Brian Andrew Cole

14:50–15:15 **JEWEL on a fluctuating medium**

Speaker

Isobel Kolbe

15:15–15:40 **Finite size effects on jet thermalization**

Speaker

Dr Ismail Soudi

15:40

Friday 15 November

09:00

Jets in small systems

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:00–09:20

Pre-hydrodynamic jet momentum broadening beyond the jet quenching parameter

Speaker

Florian Lindenbauer

09:20
