

Session Program

11-15 Nov 2024

Light ion collisions at the LHC
Hydrodynamics in small systems

CERN, 4/3-006 - TH Conference Room

Wednesday 13 November

15:30

16:00

Hydrodynamics in small systems

Session | Location: CERN, 500/1-001 - Main Auditorium

15:30-16:00

The equation of state from Neutron Stars to Heavy Ion Collisions

Speaker

Prof. Jacquelyn Noronha-Hostler

Thursday 14 November

09:50

Hydrodynamics in small systems

Session | Location: CERN, 4/3-006 - TH Conference Room

09:50-10:20

Hydrodynamic calculations for small systems: status and prospects

Speaker

Huichao Song

10:20

12:05

Hydrodynamics in small systems

Session | Location: CERN, 4/3-006 - TH Conference Room

12:05-12:30

Results on light-ion collisions from the AMPT model

Speaker

Xinli Zhao

12:30
