

Session Program

11-15 Nov 2024

Light ion collisions at the LHC

Machine

CERN, 4/3-006 - TH Conference Room

Wednesday 13 November

16:00

Machine

Session | **Location:** CERN, 500/1-001 - Main Auditorium

16:00–16:30

Machine: Achievements of LHC as a high energy ion collider and plans for HL-LHC

Speaker

Dr Roderik Bruce

16:30

Thursday 14 November

09:00

Machine

Session | **Location:** CERN, 4/3-006 - TH Conference Room

09:00–09:25 **Machine: Prospects with light nuclear species (10B, 24Mg, 20Ne)**

Speaker

Maciej Slupecki

09:25–09:50 **Machine: LHC Oxygen run: preparation status and plans**

Speaker

Natalia Triantafyllou

09:50
