

# Deep Inelastic Scattering 2025

**Monday 24 March 2025 - Friday 28 March 2025**

## Scientific Programme

## **Structure Functions and Parton Densities**

## **Small-x, Diffraction, and Vector Mesons**

## **Electroweak Physics and Beyond the Standard Model**

## **QCD with Heavy Flavors and Hadronic Final States**

## **Spin and 3D Structure**

## **Future Experiments**
