

Round Table - Tell us about...

- **Current and planned activities in your Groups and Institutes**
 - Ongoing and planned research, your interests etc.
 - Sensor R&D, test-beams, irradiation campaigns
 - Available resources (humans, infrastructure, equipment etc.) etc. to support your research
 - Are there formal or informal clusters/collaborations between institutes that are not formalized in DRD3 Proposed Projects?
 - Ideas for new DRD3 Projects?
 - Overlaps of research with other DRD3 WGs or other DRDx groups?
 - Any concerns about meeting your research goals within DRD3 scope?
- **How DRD3 WG2 can help and support your research ?**
- **Feedback on WG2 structure, activities and plans**
 - Liaisons and common projects
- **Feedback on MoU and Annexes**
