Organization of the week

DRD3

- **Monday 2.12.2024 [Main Auditorium]**
 - 10:00 Welcome
 - WG2 (Hybrids sensor technologies)
- **Tuesday [Main Auditorium]**
 - WG7 Interconnect
 - WG5 Characterization
 - **Talk: Status of DRD3 (G.Kramberger)**
 - **CB meeting (restricted to CB members)**
- **Wednesday [Main Auditorium]**
 - WG3 – Radiation Damage
 - WG4 – Simulation
 - **19:30 Workshop Dinner at CERN R1**
- **Thursday [Morning: 4-3-006 TH Auditorium; Afternoon Main Auditorium]**
 - WG6 – WBG – SiC, GaN, Diamond,..
 - WG1 – CMOS technologies
- **Friday [Main Auditorium]**
 - WG8 – Outreach
 - WG1 - CMOS
 - Workshop will close at lunch time

← Don't miss this talk!

← Don't get lost at CERN

A full week of presentations...

- **Order of sessions:**
 - *Monday and Friday are less favorable.*
 - *The DRD3 Steering Group decided to rotate the order of the sessions in consecutive DRD3 weeks.*
 - *In this week WG2 on Monday and WG1 on Friday*
 - *Plan is to change this for next week.*
 - *..sorry for those impacted.*

- Registered participants
 - 242 registrants
 - 122 online
 - 120 in-person
- Program:
 - 5 days
 - 72 talks
 - 8 sessions = 8 WGs of DRD3
 - 8 discussion rounds

*Statistics from
1st DRD3 week:
79 – talks
268 – registrants
115 – in person*

Welcome to 1st DRD3, Gregor

Many thanks to..

DRD3

- Veronique WEDLAKE
 - Workshop fee invoicing, CERN access, visa, dinner, coffee, registration of participants...
- Patricia MAGE-GRANADOS
 - Booking of conference rooms, consultancy on workshop organization,..
- Ruddy COSTANZI
 - registration of users, room preparations, badges
- SSD student/post-doc team (Solid State Detectors lab)
 - Moritz Wiehe (agenda), Niels Sorgenfrei (zoom) and the whole team for the support
- Session Chairs = WG conveners for organizing their sessions
