

## Session Program

13-17 Jan 2025

## 8th FCC Physics Workshop

### ***Overview/outlook of the feasibility study report: Physics/Experiment/Detector***

CERN, 500/1-001 - Main Auditorium

# Monday 13 January

16:00

## Overview/outlook of the feasibility study report: Physics/Experiment/ Detector

**Session** | **Location:** CERN, 500/1-001 - Main Auditorium | **Convener:** Michelangelo Mangano

16:00-16:10

### Introduction and goals of the workshop

**Speaker**

Michelangelo Mangano

16:10-16:40

### Physics programme and performance

**Speaker**

Matthew Philip Mccullough

16:40-17:00

### Detector

**Speaker**

Felix Sefkow

17:00-17:20

### Software and computing

**Speaker**

Brieuc Francois

17:20-17:40

### Machine-detector interface

**Speaker**

Fabrizio Palla

17:40-18:00

### EPOL

**Speaker**

Guy Wilkinson

18:00
