## Joint Accelerator Performance Workshop 2024

Contribution ID: 18 Type: not specified

## Benchmarking of optics and magnetic models (15'+10')

Wednesday 11 December 2024 10:30 (25 minutes)

- Magnetic model of the PS main magnets, improvement optics and application to other machines
- Control of Q and Q'
- Zero dispersion optics

Presenter: MACLEAN, Ewen Hamish (CERN)

**Session Classification:** Beam dynamics modelling <-> Equipment
