

# **OREO EXPERIMENT**

H4 beam line

- News about the request to move TECHNO-CLS from week 36 in H4 to week 33 in H2?
  - Which dates in the associated eurolabs funds request?

## Support for Eurolabs fund request

OREO experiment H4 beamline in the slot from 24th to 31st of July

1. **Access Units Granted to the project** -> Will be assigned after the request? based on the request in the **TRANSNATIONAL ACCESS APPLICATION FORM** ? (1 week experiment so 156h ?)
2. **USP Meeting** -> did not received an answer yet
3. **Project Liaison**

# Thanks for the attention!

for any questions, I'm here!
