

## **Session Program**

**2-4 Oct 2024**

## **2nd Computing Challenges workshop (COMCHA), A Coruña**

***From High Energy Physics to Industry***

# Thursday 3 October

15:05

## From High Energy Physics to Industry

Session | Location:

**15:10-15:35** A path through the trigger - from physics to software engineering

**Speaker**

Louis Henry

**15:35-16:00** VirtuaLearn3D: A tale of point clouds and synergies

**Speaker**

Carlos Vazquez Sierra

**16:05-16:30** From HEP to industry: Propylon

**Speaker**

Dr Marcos Romero Lamas

16:30
