

Session Program

25-30 Sept 2011

TOP2011

New physics in top production (I)

Sant Feliu de Guixols, Spain

Tuesday 27 September

09:00

New physics in top production (I)

Session | **Location:** Sant Feliu de Guixols, Spain

09:00–09:30

Effective field theory for top physics

Speaker

Pyungwon Ko

09:30–10:00

Top differential cross section measurements (Tevatron)

Speaker

Andreas Jung

10:30
