

Become an ARIA Programme Director: Want to direct £50m+ towards a world-changing breakthrough?

A dark-themed banner with a geometric pattern of light and dark triangles. The text is white and arranged in three columns. The left column contains the ARIA logo and the text 'Is searching for Programme Directors'. The middle column contains the text 'Want to direct £50m+ towards a world-changing breakthrough?'. The right column contains a paragraph about the recruitment process and the event details.

Advanced Research + Invention Agency
ARIA
Is searching for Programme Directors

Want to direct
£50m+
towards a
world-changing
breakthrough?

Create a programme around your own scientific or technical vision. As of September 2024, ARIA will be recruiting for our second cohort — scientists and engineers with diverse fields of expertise across industry and academia.
