ICARUS IB Rep:

Jacob Smith (they/them)
BNL

What is ICARUS Young?

We are a group for early-career ICARUS people: (under)graduate students, postdocs, and those who do not supervise anyone else.

By the Numbers:

Membership in #sbn-young_icarus: 40

Membership in #sbn-young: 149

Membership in sbn-young@listserv.fnal.gov: 88

Message me on Slack to be added to our channels.

Email listserv@fnal.gov: SUB sbn-young <your name>

What does ICARUS Young do?

- Monthly meetings (w/ SBND Young) to discuss concerns to bring to SBN governing boards
 - 4th Tuesday of the month, 9am-10am (US Central Time); first meeting of this term is October 22nd at 9am
- Regular communication via Slack to...
 - ask for help/advice we may not want to ask of our advisors, etc.
 - build a sense of (virtual) early-career community
- Organize social events...
 - in person: sports day; **thanks, SBN Young Leadership (Jamie, Josie, and Matt)!**
 - online: Biweekly Tea Time and a Doc Night—**lend us your ideas!**
- Continuing with SBN Young Theory Lectures and Career Panels

ICARUS Young Conferences

See Vittorio's talk immediately after this one for a comprehensive list for all collaborators...

NuFact 2024

Planned (2024):

Rencontres de Blois
NNN 2024
SILAF AE 2024

A Request from ICARUS Young

We would like more heads up for collaboration meeting **talks**. Previously, we've asked for more heads up about collaboration meetings themselves.

Thank you for listening to us!

Thank You
