**Session Program**

**14–16 Oct 2024**

# ICARUS COLLABORATION MEETING

## *Software development of simulation, event reconstruction and production*

Fermilab, PPD/ Hornets Nest-WH8X

# Monday 14 October

14:00

## Software development of simulation, event reconstruction and production: Software development of simulation, event reconstruction and production
**Session** | **Location:** Fermilab, PPD/ Hornets Nest-WH8X | **Convener:** Laura Patrizii

**14:00–14:30** **Production and resource management**

**Speaker**
Tracy Usher

**14:30–14:55** **Pandora event reconstruction**

**Speaker**
Alice Campani

**14:55–15:20** **PMT signals simulation and reconstruction**

**Speaker**
Alessandro Menegolli

**15:20–15:45** **Cosmic Rays Rejection**

**Speaker**
Francesco Poppi

**15:45–16:10** **Overlays**

**Speaker**
Ivan Caro Terrazas

**16:10–16:40** **Discussion**

16:40
