Detector simulation

- File: **Introduction.pdf**
    - What is a Monte Carlo detector simulation code, how they work
- File: **Geant4.pdf**
    - What is Geant4, its key capabilities and examples of applications
- File: **C++Exercises.pdf**
    - If you need a very short introduction to C++ read these slides and try the exercises provided
    - Get exercises code from: http://cern.ch/adotti/ExercisesC++.tar
- Link: http://cern.ch/adotti/ASP-Geant4-Tut/task0/overview.html
    - The main page on the exercises for Geant4
- File: **Geant4Examples.pdf**
    - What comes with Geant4: search your own use-case
