

Session Program

14-18 Oct 2024

The 8th International Conference on Micro Pattern Gaseous Detectors (MPGD2024)

Session 15

Hefei

Friday 18 October

10:45

Session 15

Session | **Location:** Hefei | **Convener:** Florian Maximilian Brunbauer

10:45-11:10

MIMAC - 35 x 35 cm² : 3D-nuclear recoil tracks detection for directional Dark Matter detection and Neutron spectroscopy

Speaker

Zhiyong Zhang

11:10-11:35

No neutrino Double beta decay Experiment - NvDEx

Speaker

Chengxin Zhao

11:35-12:00

Production of Resistive Micromegas: Technology Transfer to Industry

Speaker

Mauro Iodice

12:00
