

Session Program

11-15 Jan 2025

Workshop on Double Parton Scattering and the 3D structure of hadrons

Morning session 1 (6 talks of 30 min)

Aussois, Centre Paul Langevin

Sunday 12 January

08:30

Morning session 1 (6 talks of 30 min)

Session | **Location:** Aussois, Centre Paul Langevin

08:30–09:00 **Double parton scattering: theory review**

Speaker

Jonathan Gaunt

09:00–09:30 **DPS on CMS**

Speaker

Stefanos Leontsinis

09:30–10:00 **Overview on Generalized Parton Distribution functions**

Speakers

Saad Nabeebaccus, Yue Xu

10:00–10:30 **Coffee break**

10:30–11:00 **DPS and TPS in pA and AA collisions**

Speaker

David d'Enterria

11:00–11:30 **DPS off light-nuclei**

Speaker

Filippo Fornetti

11:30–12:00 **Spatial dependence of nuclear PDFs**

Speaker

Stéphane Delorme

12:00
