

Session Program

11-15 Jan 2025

**Workshop on Double Parton Scattering and
the 3D structure of hadrons**

Morning session 3 (6 talks of 30 min)

Aussois, Centre Paul Langevin

Tuesday 14 January

08:30

Morning session 3 (6 talks of 30 min)

Session | **Location:** Aussois, Centre Paul Langevin

08:30–09:00 **MPI at the hadron colliders**

Speaker

Luca Rottoli

09:00–09:30 **A new role for the photon in double parton scattering**

Speaker

Federico Alberto Ceccopieri

09:30–10:00 **DPS with Pythia**

Speaker

Ms Lawrie Smith

10:00–10:30 **Coffee break**

10:30–12:00 **Q&A session**

12:00
