

Session Program

28-29 Nov 2024

Other Science Opportunities at the FCC-ee ***Photon science and extreme photon science |*** ***Part 1***

CERN, 40/S2-D01 - Salle Dirac

Thursday 28 November

10:00

Photon science and extreme photon science | Part 1

Session | **Location:** CERN, 40/S2-D01 - Salle Dirac | **Convener:** Yannis Papaphilippou

10:00–10:20 **High-energy photons from the FCC-ee complex**

Speaker

Dr Sara Casalbuoni

10:20–10:35 **Imaging opportunities at 50-100 keV**

Speaker

Marco Stampanoni

10:35–10:45 **Science with photons at 10s of GeV**

Speaker

Frank Zimmermann

10:45–11:00 **Laser Compton scattering in the collider**

Speakers

Illya Drebot, Illya Drebot

11:00
