**28-29 Nov 2024**

# **Other Science Opportunities at the FCC-ee** ***Physics Beyond Colliders, HEP applications***

CERN, 40/S2-D01 - Salle Dirac

## Thursday 28 November

14:00

### Physics Beyond Colliders, HEP applications

**Session** | **Location:** CERN, 40/S2-D01 - Salle Dirac | **Convener:** Gianluigi Arduini

14:00-14:20

#### Dark matter searches

**Speaker**

Paolo Crivelli

14:20-14:40

#### Strong-Field QED with Electron-Laser Interactions and New Physics Searches with Photons

**Speaker**

Ivo Schulthess

14:40-15:00

#### Strong field QED in crystals

**Speaker**

Laura Bandiera

15:00-15:20

#### Full Inverse Compton Scattering and Unruh photons

**Speaker**

Luca Serafini

15:20
