

## Minutes of the RICH2025 ISAC+LOC meeting on September 18, 2024 at 15.00 CET (online)

Present: Antonello Di Mauro, Jurgen Engelfried, Roger Forty, Gregory Hallewell, Neville Harnew, Toru Iijima, Samo Korpar, Evgeniy Kravchenko, Udo Kurilla, Eugenio Nappi, Jochen Schwiening

Excused: Silvia Dalla Torre, Werner Hofmann

---

Link to the agenda: <https://indico.cern.ch/event/1457183/>

*Here follows the relevant decisions*

### Social programme

- The reception will be held on Monday evening at the foyer/courtyard of Erbacher Hof Mainz (Workshop venue);
- On Wednesday there will be the boat trip excursion on Rhine river followed by the conference dinner in the historic Eisgrub beer cellar;
- No concert on Tuesday.

### Budget issues and Conference fees

- Only in-person attendance;
- Anticipated number of paid attendees around 100;
- Make provisions supporting travel and/or accommodation for two-three young post-docs from developing countries (check if university/Helmholtz/GSI funds could be used to this aim);
- Envisage a fee for renting the booths to industry representatives;
- Cap of 600 Euro for the full fee;
- Cap of 550 Euro for the early bird;
- Cap of 180 Euro for the accompanying persons;
- Fees include five lunches (from Monday to Friday)

### New SAC member and session topics and conveners

- David Gascón (ICCUB, Spain) will be invited to join the SAC;

#### Session topics:

- Cherenkov light imaging in current particle and nuclear physics experiments (Neville & Toru);
- Cherenkov light imaging in neutrino and astroparticle physics experiments (Greg & Werner);
- Pattern recognition and data analysis (Jurgen & Roger);
- R&D on Cherenkov light imaging systems for future experiments (Jochen & Silvia);
- Photon sensor techniques for Cherenkov imaging counters (Antonello & Samo);

- Technological aspects and applications of Cherenkov light detectors (Eugenio & Evgenii + Gascon for contributions on electronics)

#### Proceedings

- Online only in NIM-A

#### Schedule, Workshop advertisement and key dates

- WS begins on Monday morning and ends (likely) on Friday at lunch time;
- A tentative list of key dates has been agreed. It is shown in the Eugenio's slides uploaded to the indico agenda of this meeting (<https://indico.cern.ch/event/1457183/>)

Eugenio Nappi and Jochen Schwiening
